With more than 12,000 homes across Norfolk now in a No Cold Calling Zone, more people than ever are saying no to cold callers. Feedback shows the zones really work with a drop in the number of cold callers seen in 99% of areas.

No Cold Calling Zones give householders the confidence to tell rogue traders they are not welcome and are likely to be reported to Trading Standards if they do call at homes in a zone.

Figures show that 85% of people in a No Cold Calling Zone felt able to tell a cold caller they were in a zone and should leave.

WHAT'S HAPPENING IN YOUR AREA?

PC Dawson has been continuing his partnership approach to dealing with local issues that are raised via the Community and via the new online Safer neighbourhood action panel (SNAP) meetings.

PC Dawson has plans to conduct joint patrols with the District Council Covid Support Officers to support the opening of various businesses from the 12th of April.

April will be mainly high visibility foot patrols in and around Fakenham and the outer villages following the easing of restrictions and the expected high volume of visitors.
