

# Can you help?

Winter 2022 was difficult for many. During this time 76 'warm baby' bags were assembled and given to families in need. As you can imagine, they didn't last long so this winter we are asking for your help!

Would your Knitting/crafting group be interested in knitting and donating warm hats and mittens, in neutral colours, for babies up to 2 years of age for this year's warm baby bags?

We, the community connectors, will arrange collection of the items and get them into warm bags, ready for the winter.

Collections can be arranged anytime but the last day we can accept donations is **Friday the 10<sup>th</sup> of November 2023**.

If your group is interested in donating to the 'warm baby' bags, please get in contact with your community connector.
